

THE ETHOS OF LIVING

Building is under way. © 2015 E&OE

WELCOME.

Ethos, the character and spirit of a culture or community.

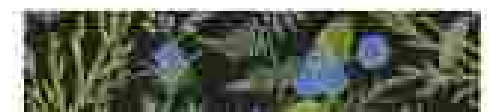

Introducing Juniper Gate, an active-living community of bungalows, bungalowlofts and townhomes in Georgetown.

Juniper Gate provides an inspiring perspective: where friends are neighbours, and no favour is ever too great.

With beautifully designed homes and wellness-inspired living, amid an idyllic setting of parks, trails and nature.

ACTIVE LIVING IN GEORGETOWN

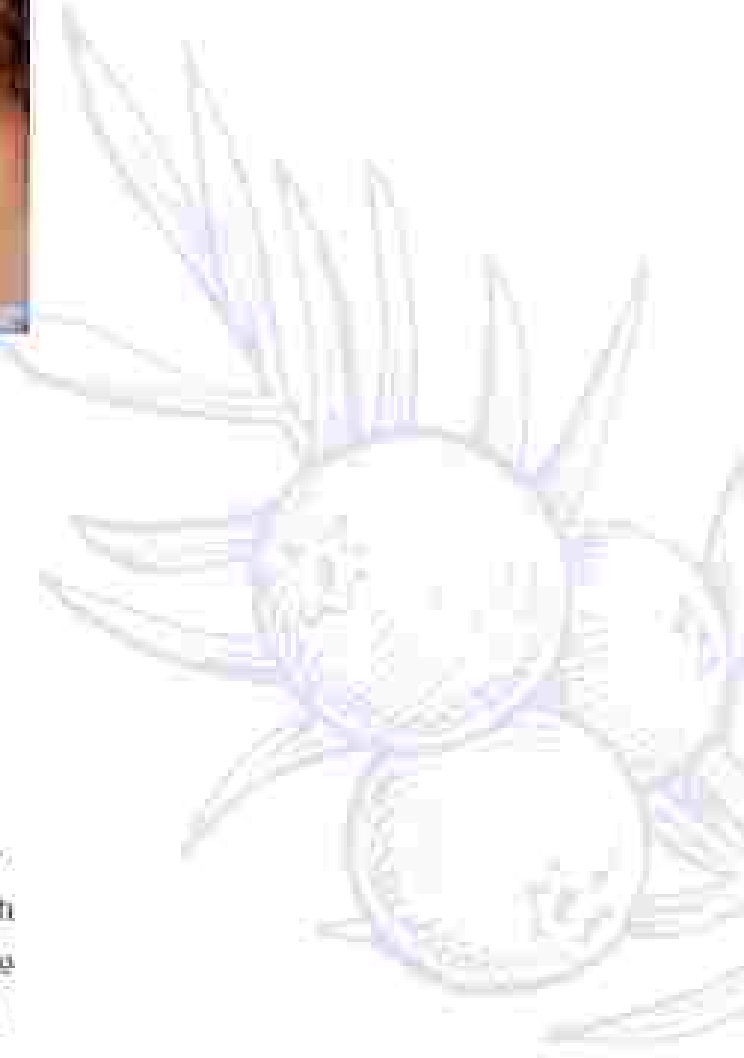

As you follow the path ahead, amongst the brambles and vines, where the flowers extend toward the sun, you're welcomed into a new community—one where a sense of small-town charm and an effortless way of life are delicately woven into the ethos of Juniper Gate.

A NEW COMMUNITY

WELLNESS-INSPIRED LIVING IN GEORGETOWN.

LIFE— AS IT WAS MEANT TO BE.

Within the community of Juniper Gate lies a sanctuary of serenity, where the beauty of nature intertwines with the warmth of an active living community. Juniper Gate embodies a lifestyle inspired by wellness and enriched by the embrace of small-town charm.

Perfectly situated within the Niagara Escarpment, Juniper Gate is surrounded by breathtaking, scenic countryside, and its residents have quick and easy access to a variety of outdoor activities and natural attractions that make the neighbourhood a perfect locale for outdoor fun and relaxation.

ACTIVE LIVING

A CITY BEAMING WITH VERVE.

Nestled along the banks of the Credit River and surrounded by picturesque hills, valleys and creeks, Georgetown is a hidden gem within the GTA.

Here you will find the perfect balance of liveliness and relaxation—where bustling small-town energy and tranquil country disposition melds in perfect harmony.

For those looking to settle down in an area rich with history, well-equipped with modern amenities and brimming with charm, Juniper Gate is a highly desirable community and an excellent choice for people looking to live a balanced lifestyle without sacrificing city conveniences—where residents can simultaneously enjoy the inspiring beauty of the Niagara Escarpment and the peaceful ambience of a small town, with only a short drive or train ride, into the GTA.

GEORGETOWN

LOCAL CHARM AT EVERY CORNER.

Downtown Georgetown is renowned for its beauty and boasts one of the prettiest main streets in the GTA.

Here, alongside the quaint, historic brick buildings that line Main Street, is a vibrant, cultural hub that houses boutiques, restaurants, art studios, galleries, a theatre and library—all of which actively participate in a multitude of festivals and events all year round.

Whether you're out enjoying the area's ample trails and green spaces, commemorated heritage sites, or lively arts and cultural venues, you'll be sure to find the perfect spot for your favourite indoor and outdoor activities.

TOP 5 INTERIOR FEATURES & FINISHES.

Cheer-inspired kitchens feature custom-built cabinetry, gorgeous stone countertops, and designer backsplashes.*

With more than 10,000 square feet of display space, including a variety of vignettes to stroll through, The Remington Design Studio provides a wide variety of exceptional standards and upgrades for our homeowners to choose from.

From contemporary to traditional kitchen and bathroom displays, tile, hardwood and fixture options, Juniper Gate homeowners are guided by a professional team of design consultants toward creating a home that reflects their individuality and unique style.

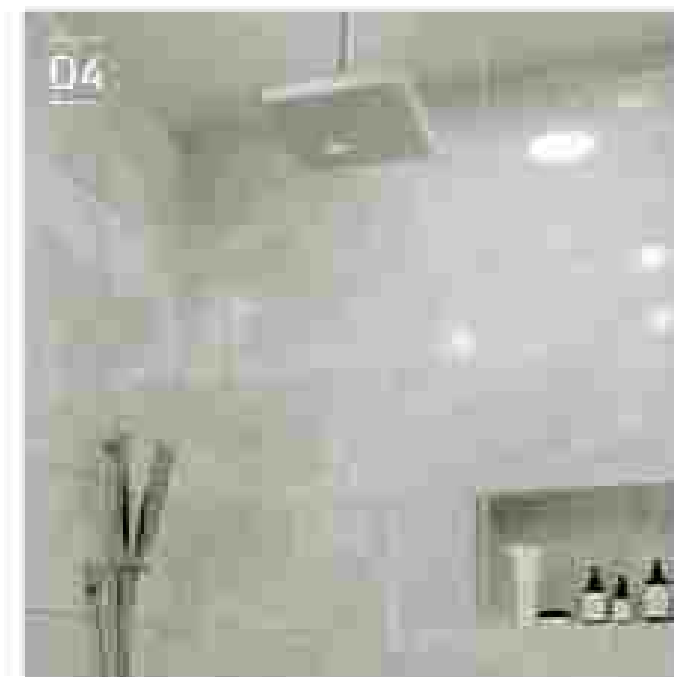

*Optional designer backsplashes are pictured to illustrate format. Available as an upgrade price by request only.

Extended height, modern and contemporary kitchen cabinets with decorative crown molding throughout each kitchen.

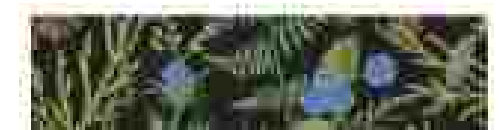

Luxurious freestanding soaker tub with choice of faucet and downspout, as per Vendor's samples.

Frameless glass shower includes elegant or dramatic ceramic tiles on walls and ceiling and a recessed shower light.

Natural pre-finished oak hardwood on main or first floor, except tiled areas, as per model type.

TOP 5 EXTERIOR DETAILS.

The impeccably designed elevations of Juniper Gate's bungalows, bungalowts, and townhomes showcase the superior construction that sets Remington Homes apart from the competition. Highlights include:

1. Architecturally designed elevations with stucco, stone, clay brick, stone accents and other accent details on front and rear elevations.
2. Maintenance-free vinyl casement or thermo-fixed glass windows throughout.
3. Sectional roll-up garage doors with decorative windows.
4. Black exterior lamps on front and rear elevations, including light at side and rear door(s).
5. Professionally graded and sodded lot with a precast slab walkway from driveway to front porch.

A NAME
 SYNONYMOUS
 WITH CRAFTSMANSHIP
 AND QUALITY.

A family-owned and operated company for three generations, The Remington Group develops and operates an extensive portfolio of residential, retail, commercial and income properties. With more than seventy-five years of experience building dynamic and desirable communities in Southern Ontario, The Remington Group has evolved into one of Canada's largest land developers whose commitment for reducing their carbon footprint while maximizing occupant comfort—from design through to construction—is second to none.

From stunning townhomes and expansive single-family estates to vibrant mixed-use high-rise buildings, The Remington Group has earned a reputation in Southern Ontario for its exceptional designs and rigorous standard finishes that demand attention, resulting in sought-after and distinctive communities.

With so many years of experience behind their belt, Remington's name has become synonymous with trusted craftsmanship and superior quality in the industry, and they pride themselves on their community-driven building philosophy and forward-thinking plans to ensure each project is built to last.
